## **LCG Selected to the 2011 Inc. 500|5000 List of the Fastest– Growing Private Companies in America**

Tampa, FL (August 24, 2011) - The Tampa office of LCG is pleased to announce its selection into the *Inc.* 500|5000 list of the fastest – growing private companies in America.

*Inc.* Magazine will publish the list on their website, Inc.com, on August 23, 2011. The September issue of *Inc.*, profiling the top 500 of the Inc. 500|5000, will hit newsstands at about the same time.

This achievement puts LCG amongst an elite group, which over the years has included companies such as Microsoft, Timberland, Vizio, Intuit, Jamba Juice, Oracle, and Zappos.com. In fact, many of today’s most successful U.S. companies received their first national recognition when they appeared on the *Inc.* list.

Managing Partner Brian Smith stated, “Considering the economic climate over the past few years, we’re thrilled to have made the list. The credit though goes to the employees here at LCG who have risen to every challenge and consistently worked to increase and refine our value proposition.”

Managing Partner Paul Epstein also stated, “We’re proud to be mentioned alongside the other companies on the *Inc.* list. Our focus on quality and communication, and our company-wide total dedication to our clients has proven to be the key to our continuing successes.”
